

Ben, King of the River

Chad can't wait for his family's first camping trip. He just hopes his brother, Ben, won't ruin it. Though he's five, Ben doesn't always act it. He doesn't like new things, and sometimes his behavior is embarrassing. Ages 6-12.

"The older brother of a developmentally disabled boy narrates this heartfelt story describing the family's first camping trip." -School Library Journal
